1st IKF Open Flemish Championship Leopoldsburg, Belgium

Dear,

We are delighted to invite you to the

1st IKF Open Flemish Championship

Sunday, January 12th, 2020

The championship is an organisation of G-Karateclub Leopoldsburg (B.G.K.A.) and I-Karate GLOBAL. It is an open competition, and we expect competitors from several continents.

Thanks to our unique competition system, even if one has little experience, one can participate to this championship. So, don't hesitate to register.

Our previously organised competitions and championships have been a great success. So we expect to see the same enthusiasm and spirit at the competition in January 2020, as we may have witnessed so many times!

In our mind, to participate is to win. A quote certainly valid for our I-competitions. That's why every competitor receives a unique medal at the end of the day. There are 50 possible categories to inscribe!

Besides a sport challenge, this competition day is also a social occasion for all ages, abilities and nationalities to meet.

In this competition, we also have a category for competitors who participate in the IKONS Project from Eric Bortels. They compete in categories 47, 48, 49 and 50. These categories are exclusively for karateka's from this IKONS Project.

Hereafter, you will find a draft agenda, as well as the necessary documents to register.

The deadline for registration is December 18th, 2019.

CLASSIFICATION

- 1 It is important to note that new levels in the Classifications will be created as each category attracts more participants.
- 2 I-karate can be further categorized by age, gender or belt grade. A category needs to have enough competitors for a competition to be viable. The minimum of 3.
- 3 Our experience has shown that both I-Kata and I-Kumite need to be carried out one after the other for disabled people to minimise waiting time and also to reduce organisation time.
- 4 Complains can be done at the table only by the official inscribed coach of the team.
 - The table will talk about the issue to the comfort referee who is responsible for that particular floor.
 - Together they make a decision, if no decision can be made the head comfort referee at the tournament will be involved and will make the final decision.
- 5 Any bad behaviour, verbal, physical, by competitor, coach or spectators of a certain competitor to anybody of the organizing team (judge, tables, entrée, comfort referee) will result in exclusion, of the participant or even the whole team.
